- 704,996,930 Shares representing all of the Shares belonging to the Company's Non-Executive Chairman, Mr. Zhan Musheng will be voluntarily escrowed for a period of 12 months from the date of quotation of the Shares on the Official List;
- 45,000,000 Shares representing all of the Shares belonging to Certex Holdings Limited will be voluntarily escrowed for a period of 3 months from the date of quotation of the Shares on the Official List; and

### 7.1.14 TRADING LIQUIDITY RISK – Page 87 of the Prospectus

Section 7.1.14 Trading Liquidity Risk on page 87 of the Prospectus is deleted and replaced with the following:

The Company hopes to encourage increased levels of liquidity of trading in its Shares after being admitted to the Official List. To that end, the Company notes that a select group pre-listing

Shareholders have voluntarily entered into restricted security agreements and that up to 900,030,000 Shares representing 94.74% of the Shares in the Company following the Offer and assuming Full Subscription, will be held in escrow. 704,996,930 Shares held by the Company's Non-Executive Chairman, Mr. Zhan Musheng will be held in escrow for 12 months, and 195,033,070 Shares held by Certex Holdings Limited and the Former Bondholders will be held in escrow for 3 months.

Following the end of the escrow period of 12 months a significant portion of Shares will become tradeable on ASX. This may contribute to a change (likely to be downwards) in the Company's Share price.

Following the end of the escrow period of 3 months a significant portion of Shares will become tradeable on ASX. This may contribute to a change (likely to be downwards) in the Company's Share price.

### **7.2.3 TRADING LIQUIDITY RISK – Page 90 of the Prospectus**

The Company hopes to encourage increased levels of liquidity of trading in its Shares after being admitted to the Official List. To that end, the Company notes that a select group pre-listing Shareholders have voluntarily entered into restricted security agreements and that up to 900,030,000 Shares representing 94.74% of the Shares in the Company following the Offer and assuming Full Subscription, may be held in escrow. 704,966,930 Shares held by the Company's Non-Executive Chairman, Mr. Zhan Musheng will be held in escrow for 12 months, and 195,033,070 Shares held by Certex Holdings Limited and the Former Bondholders will be held in escrow for 3 months.

Following the Offer and assuming Full Subscription, the Company's Non-Executive Chairman, Mr. Zhan Musheng, will hold 704,966,930 Shares in the Company representing approximately 74.2% of the Shares and voting rights in the Company. These shares will be held in voluntary escrow for a period of 12 months. This may result in liquidity risk for the Shares given a large percentage of the Shares may not be traded for up to 12 months.

Following the end of the escrow period of 3 months a significant portion of Shares will become tradeable on ASX. This may contribute to a change (likely to be downwards) in the Company's Share price.

The concentration of shares with one Shareholder, particularly in the event that only the Minimum Subscription is raised, poses a risk that illiquidity in the trading of the Shares will arise and that Shareholders may be unable to sell their investment due to limited demand for the Shares or may only be able to sell their Shares in small parcels. An illiquid market is likely to have an adverse impact upon the Share price.
